

# GERMAN IN FRANKFURT

Frankfurt – the centre of European economics and currency.

Frankfurt stands on the banks of the River Main and is the centre of Europe's economy and currency.

Once a vital inland port and centre of trade, it is now Europe's largest financial centre after London. For many, Frankfurt is a city of skyscrapers. They have gained Frankfurt the epithet Mainhattan. A closer look reveals a metropolis of many charms; the houses are picturesque and many have been restored in the city centre. The unique "Museum Mile" along the banks of the river which have become an altogether pleasurable zone for the

flaneur, including cocktail bars and garden restaurants invite you to enjoy extensive strolls and delicious local food and drinks. The part of Frankfurt called "Sachsenhausen", where the school is located, is said to be the most elegant district of the city. Actually, it has two parts: The old section is where you amble along narrow cobblestone streets amidst tiny gabled houses. This is where you will find pub after pub. The fancier area of Sachsenhausen boasts charming cafes and boutiques with a vibrancy found nowhere else.

### SCHOOL INFORMATION

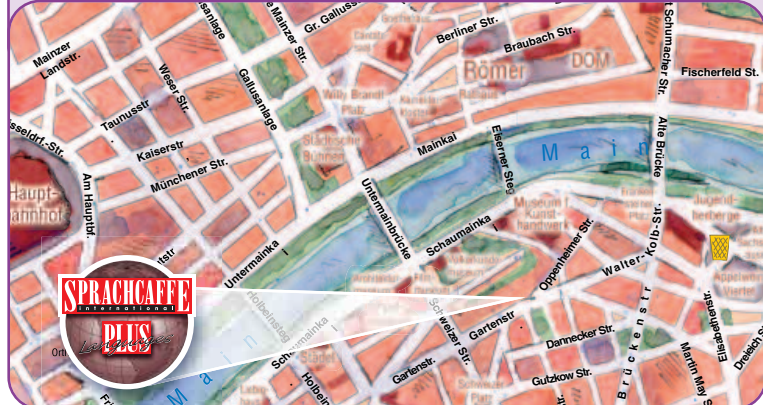

Sprachcaffe/Languages PLUS, our school and world-wide headoffice, is located in a stylish and cosy area offering great shopping opportunities in fancy boutiques, smart cafes, and cool bars. The school has a café bar and a terrace where students can relax between lessons. Cross the historical bridge "Eiserner Steg" and in a few minutes you will arrive at the heart of the city. There you will find the Römer, the historical square, and across the street is the Paulskirche, the cradle of German democracy. All this in the middle of Frankfurt's skyscrapers and bank buildings. But just about all of Frankfurt's museums are literally a two-minute walk away from the school. They look onto the Main river and are popular places to sit and chat on a sunny day.

### INCLUDED IN THE PRICE

- Placement test
- German course as booked
- Accommodation as booked
- Educational material on loan
- Certificate
