

INDIVIDUAL JUNIORS U20 PROGRAM

We would like to invite individual juniors aged from 10 to 17 (see individual schools below for exact age range) to participate in our specialized language travel experience.

Enrol as an individual junior student and meet your fellow students at the destination!

All you then need to do is join our course, which is made up of 4 or 6 lessons a day. You will learn what is important to improve your language skills. The topics we cover are interesting and often cross-cultural.

Our courses are designed to stimulate student creativity, language skills, and teamwork. A lesson plan, however does not work on its own. To be successful teachers must be well prepared and trained thus motivating our students. In some of our centers classes could be held in the morning or afternoon during busy periods.

And that is why our Sprachcaffe teachers are good at what they do! Students will benefit by overcoming some shyness, learning grammar structures, and expanding their vocabulary in a relaxed classroom environment. All our teachers work together with our entire school team to organize your valuable time. We also provide a varied activity programme. This contributes to helping students involve themselves in the culture of the host country.

It is all about sharing and communicating at Sprachcaffe. Rest assured, the students are in good hands with us. There is always a full-time team leader on site. The U20 programme takes place in England (Brighton, Exmouth/Devon, London), Malta, France, Mexico, Canada, Germany, Italy and Spain.

Students can usually choose between our school residences or host families with different board options. A welcome party follows the first school day. Let the junior language experience begin!
